## Gold Coast University Hospital (GCUH) - Cardiovascular

Local Services Offered:

Clinical trials site;Investigator Initiated Trials;Satellite Site;Trial Patient Recruitment;Treatment of patients;Completion of study documentation as per ICH GCP and contract

Details: This PDF complements the information found in the CSV generated by this website with additional site information.

What Department is your Trial Site? (Queensland Health HHS- See List of Services and Levels-Clinical Services Capability Framework )  Is your Facility affiliated with a government agency or part of a government funded health service?  Is your facility/organisation a Life Sciences Queensland (LSQ) Member?  Do you have Affiliated Research Sites or Satellite Sites/Clinics? A Satellite Site is a secondary location where the investigator sees clinical trial subjects. Usually this is the same investigator who sees subjects at the primary site location.  Other facility.  Other facility.  Other facility.  Please provide areas of expertise for your Facility.  Please provide other areas of expertise for your Facility.  Adult Coronary Syndrome, Anaemia, Anaemic Infarcts, Angina,Aortic, Arteriosclerosis, Atherosclerosis, Atherosclerosis, Atherosclerosis, Atherosclerosis, Atherosclerosis, Atherosclerosis, Atherosclerosis, Infacts, Angina,Chronic Heart Failure, Congestive Heart Failure, Coronary Artery Disease, Endocrinology, Hypotension, Infection and Inflammation, Interventional Cardiology and Cardiothoratics, Ischemic Heart Disease, Medical Devices, Mitral Valve Prolapse, Pericarditis, Phlebitis, Yes	Facility Details:

Does your Facility perform HREC	Yes
(IRB/ERB/Ethics) Committee	
submissions?	
Does your Facility have a dedicated	No
department or group to perform HREC	
(IRB/ERB/ETHICS) Committee	
submissions?	
Types of HREC (IRB/ERB/ETHICS)	Local;Central Acting as Local
Committee that are used	Local, Central Acting as Local
What is the meeting frequency of your	Monthly, 2 per week with NMA
Local IRB/ERB/Ethics Committee?	
Does your Facility have other review	No
boards that need to approve the study	
prior to HREC (IRB/ERB/Ethics)	
Committee submission?	
For example, scientific, radiation	
safety committees, or others.	
Does the HREC Committee require	Yes
payment prior to the release of final	
approval documents?	
Consent:	
Does your Facility have a written	Yes
SOP/Policy/Procedure for Informed	
Consent?	
Does your Facility have a written	Yes
SOP/Policy/Procedure for Minor	
Assent for paediatric populations?	
Does your Facility have a written	Yes
SOP/Policy/Procedure for Other	
vulnerable populations?	
Does your Facility have access to	Yes
translators and translation support for	
study conduct (e.g. consent, study-	
specific instruction)?	
spreme measeach).

Training	
Training:  Does your Facility have a training	Vec
Does your Facility have a training	Yes
Does your Facility have a training program for the research staff?	
Does your Facility have a training program for the research staff?  Does your Facility training course	Yes Yes
Does your Facility have a training program for the research staff?  Does your Facility training course content include GCP?	Yes
Does your Facility have a training program for the research staff?  Does your Facility training course content include GCP?  If your facility uses external program	
Does your Facility have a training program for the research staff?  Does your Facility training course content include GCP?  If your facility uses external program course/s. Please provide the program	Yes
Does your Facility have a training program for the research staff?  Does your Facility training course content include GCP?  If your facility uses external program course/s. Please provide the program course/s name.	Yes IQVIA
Does your Facility have a training program for the research staff?  Does your Facility training course content include GCP?  If your facility uses external program course/s. Please provide the program course/s name.  Do you have a process or program in	Yes
Does your Facility have a training program for the research staff?  Does your Facility training course content include GCP?  If your facility uses external program course/s. Please provide the program course/s name.	Yes IQVIA

Facility And Familians	
Facility And Equipment:	
Facility Capabilities:	V
Is your Facility capable of	Yes
administering infusions?	V
Can your Facility support in- patient	Yes
admissions for research studies?	***
Can your Facility support patient	Yes
visits on weekends?	**
Does your Facility have the ability to	Yes
collect and store	
PK/PD specimens?	
Does your Facility have the ability to	Yes
collect PK/PD samples beyond normal	
business hours?	
Does your Facility typically allow the	Yes
collection of Pharmacogenomic (PGX)	
samples for research purposes?	
Is your Facility adequately staffed to	Yes
support studies with both blinded and	
unblinded Investigational Product?	
Does the Facility have storage space	Yes
for Study-Related materials (e.g. Lab	
Kits, Patient Materials, etc.)?	
E auinmant.	
Equipment:	Yes
Does your Facility have the necessary equipment to treat medical	res
emergencies (for example crash/code	
cart)?	
,	Yes
Does your Facility have an SOP or process that ensures routine calibration	Yes
<u> </u>	
and maintenance of general	
equipment? Examples of general	
equipment include: scale, pulse	
oximeter, stadiometer,	
sphygmomanometer, etc.?	Liltrocound DCMA DET EET DET
Please list any additional equipment.	Ultrasound, PSMA-PET, FET PET
IT Capabilities:	
Does your Facility have computers that	Yes
are dedicated to	
research studies?	
What type of computer operating	Windows (Windows XP; Windows 7; Windows 10;
system(s) does your institution use to	etc)
support studies?	
What browser does your facility	Edge
use?	
·	

Does the Facility have access to	Yes
local IT support?	
Does your Facility limit or prohibit	Yes, CRA have read-only access
access and use of external web-based	
tools or sites for clinical research (E.g.	
web portals to submit documents to	
sponsors or CROs)?	
Please indicate all equipment that will	Phone;Copy Machines;Internet Access
be available to Monitors	
Labs:	
Does your Facility use a local lab?	Yes
Please provide the local lab details.	Pathology Queensland-Gold Coast
IP Storage Details:	
IP Recipient Name	Gold Coast University Hospital Pharmacy
Is the Investigational Product Storage	Yes
Room secured with	
controlled access?	
Does the Investigational Product	Yes
Storage Room have Backup Power?	
Does your facility have a written	Yes
SOP/Policy/Procedure for the	
destruction of Investigational Product?	
Does the Facility have the ability to	Yes
handle radio-labelled Investigational	
Products?	
Does your Facility have the ability to	Yes
manage on-site or off- site destruction	
of controlled substances when	
appropriate?	
Do you provide your Satellite Site(s)	Yes
with a dedicated inventory of	
Investigational Product?	
Does your Facility have a written	N/A
SOP/Policy/Procedure to ensure that	
Investigational Product is appropriately	
maintained during transportation to	
Satellite Site(s)?	
<b>Source Documents:</b>	
Does your Facility have patient record	Yes
archiving on-site?	
Provide Location name and address of	
any offsite archives.	Grace
arij Oribite arellives.	

What Electronic Data Capture (EDC)	Oracle Inform;Medidate Rave;Oracle Remote Data	
systems has your Facility used for	Capture (RDC); Auslab	
clinical trials?		
Please provide other EDC Systems.	iMedidata; RedCap; IVRS/IWRS	
Electronic Medical Records (EMR) /Electronic Health Records (EHR):		
Do you have Electronic Health	Yes	
Records (EHR)/ Electronic		
Medical Records (EMR)?
